CAPOTTINE

BASE/MODULARE/CURVILINEO/SFERICA- OVALE/SEMITONDA/TEOREMA/TRIANGOLO

Classiche ma sempre attuali, le capottine esprimono i concetti di tradizione e semplicità. La capottina nasce per rispondere all'esigenza funzionale di proteggere e ombreggiare finestre di piccole e medie dimensioni, senza strutture ingombranti, che ben si inseriscono in spazi limitati, con la possibilità di realizzare soluzioni personalizzate dal design pulito ed essenziale.

Classiques mais toujours actuels, les stores corbeille expriment les concepts de tradition et de simplicité. Le store corbeille voit le jour pour répondre aux besoins fonctionnels de protéger et ombrager des fenêtres de petite et de moyenne dimension, sans structures encombrantes, qui s'insèrent bien dans des espaces limités, avec la possibilité de réaliser des solutions personnalisées au design épuré et essentiel.

The classic yet contemporary sun canopies convey an air of both tradition and simplicity. The canopies themselves are designed to satisfy the functional need to protect and shade small to medium sized windows, and can be easily installed in confined spaces thanks to their compact structures, thus allowing for the creation of customized and minimalist design solutions.

Klassisch und zugleich stets aktuell: Korbmarkisen stehen für Tradition und Schlichtheit. Korbmarkisen kombinieren Funktionalität mit ansprechender Ästhetik – sie bieten Sonnenschutz für kleine und mittelgroße Fenster ganz ohne sperrige Konstruktionen, fügen sich auch bei begrenztem Platzangebot gut in das Ambiente ein und bieten die Möglichkeit, individuelle Lösungen mit klarem und essentiellen Design zu realisieren.
